16
17 By order filed February 14, 2007, the Court approved the parties' stipulation to stay
18 the instant action in favor of a consolidated proceeding pending in the Superior Court of the
19 State of California, Santa Clara County, and ordered the parties to file a status report every
20 six months to advise the Court of the status of the California state court action.

21 The Court is in receipt of the parties' joint status report, filed February 14, 2008, in
22 which the parties report that the California state court action has been stayed in favor of an
23 action pending in a Delaware state court, and that no trial date has been set in the
24 California state court action.

25 Accordingly, the instant action having been stayed for a year, and it appearing that
26 the California state court action is unlikely to be resolved in the near future, the instant
27 action is hereby CLOSED for statistical purposes only.

28 //

1 Nothing contained in this order shall be considered a dismissal or disposition of the
2 action, and should further proceedings become necessary herein, any party may initiate
3 them in the same manner as if this order had not been entered.
